<b>135° Hinge Angle Restrictor</b>	For all 170° hinges	<b>248-4672</b> →	<b>380</b>
 	200 Pcs Made of plastic		

- Hinge angle restrictor limits opening angle
- Prevents door damage
- Easy and quick mounting and dismounting

#### Mounting details

Open the door to approximately 75° and position angle restrictor to follow the hinge cup form

Slightly open the door to hear the click meaning angle restrictor is in the right position

Close the door to remove the restrictor holder (cracks by itself while closing the door)

Hinge has to be in closed position

Insert angle restrictor into the hinge cup

When angle restrictor is in the right position push it down

Recommended to insert angle restrictor while doors are not mounted on the cabinet
