# T-type PressTo

Quick and easy hinge mounting with toolless hinge cup

**Confident hinge  
cup locking**

**Reliable hinge-to-door  
attachment**

**3Way snap-on**

**Strong and highly  
tolerant hinge**

## T-type PressTo hinge

T-type PressTo is the latest addition to our T-type hinge family. It features a toolless hinge cup fixing system for quick and easy hinge mounting. Paired with 3Way hinge-to-plate mounting, it ensures the fastest cabinet assembly.

The locking of the hinge cup is easy and requires low effort to press. An audible click when pressed to lock indicates confident and reliable hinge cup attachment to the door.

T-type PressTo has all the advantages of T-type hinges. Its sturdy design assures consistent door closing and reliable performance throughout the cabinet lifetime.

It is available in a nickel-plated and trendy dark Noir finish.

## Confident hinge cup locking

- The hinge is simply inserted into a cup hole and installed by hand pressure without tools
- An audible click confirms secure locking

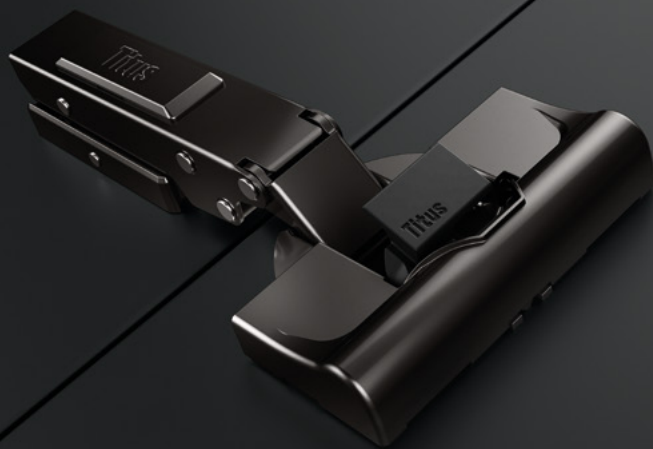

## Reliable hinge-to-door attachment

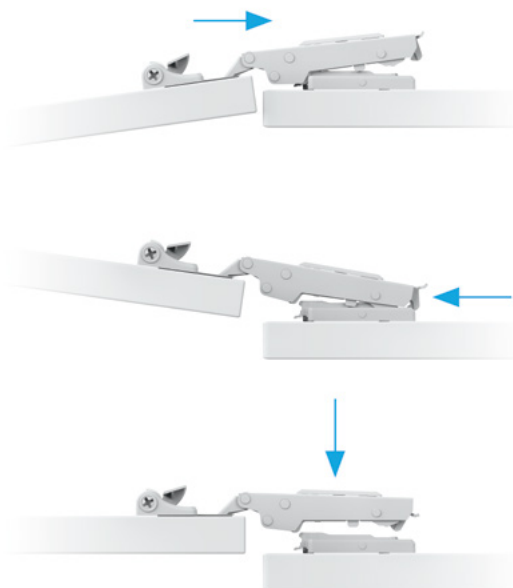

- Expanding anchors on the hinge cup sides ensure a tight and reliable connection to the door
- Secure fixing in chipboard, MDF, and solid wood

## 3Way snap-on

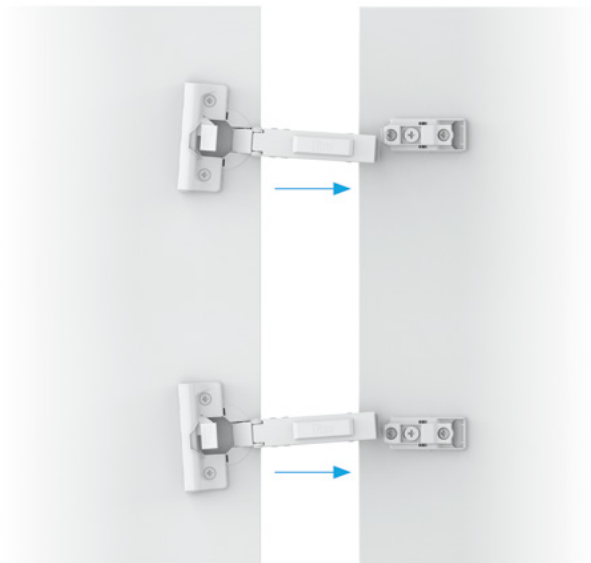

- Easy mounting, even for tall cabinet doors with multiple hinges
- Intuitive hinge-to-plate mounting in three directions: rear, front or top
- Reduces cabinet assembly time

## Strong and highly tolerant hinge

- Hinge-to-plate attachment assures stability and rigidity
- Efficient performance across a wide range of fixing tolerances
- Reliable door closing and opening, even in case of accidental misalignments
- Consistent performance over a lifetime of 200,000 cycles

# T-type PressTo Noir

An elegant dark finish that adds sophistication and modernity

## Discreet elegance

Noir offers a visually appealing solution that minimises the visual prominence of cabinet hardware, creating a clean and integrated appearance.

- Dark finish enhances the look of any interior
- Modern aesthetic combined with a classic timeless appeal
- Ideal for high-end cabinetry and interiors where a sophisticated appearance is essential

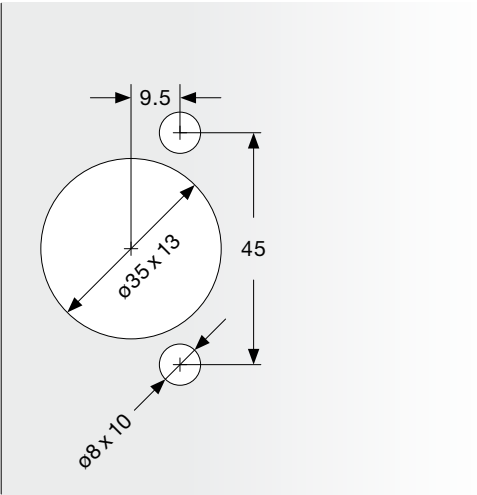

## Versatility

The Noir finish discreetly complements a variety of cabinet colours and finishes, from light and dark surfaces to natural wood. The dark accent creates a visual contrast that enhances both standard and trend-driven furniture designs in kitchens, bedrooms, living rooms, bathrooms and offices. Noir pairs well with both contemporary and rustic styles.
