- Drilling depth

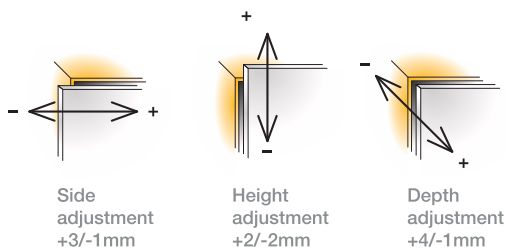

- Cup type
PressTo toolless mounting

- Cup dimensions

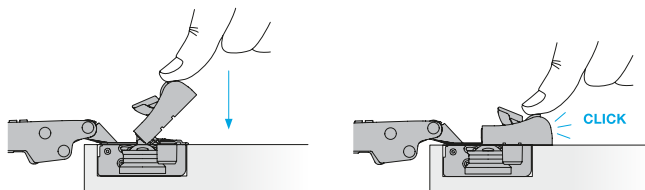

- Door adjustment

Toolless Hinge Mounting

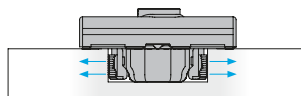

Confident hinge cup locking

- Insertion without tools
- An audible click confirms the secure locking action

Reliable hinge-to-door attachment

- The expanding anchors on the hinge cup sides ensure a tight and reliable connection to the door
- Secure fixing in chipboard, MDF, and solid wood

T-type PressTo

The Fastest Hinge at the Market

- Confident hinge cup locking
- Reliable hinge-to-door attachment
- 3Way snap-on
- Strong and highly tolerant
